

Do Your People Know The Real Value of Their Pay?

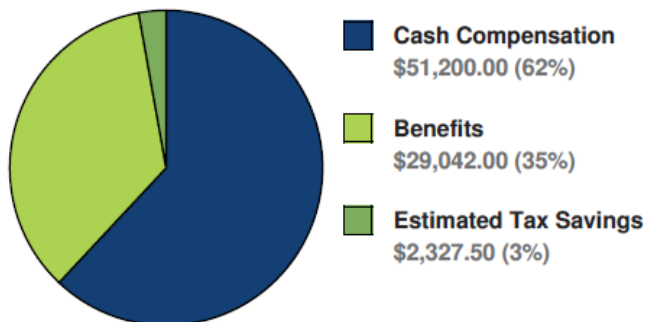

NEW TOTAL COMPENSATION STATEMENTS

Our new TotalComp Statements can be used to recruit new employees (and retain your great ones!) by showing the potential value of any position. They are fully branded and customized for your school system and display cash compensation, additional supplements, benefits and more. (Check out the sample charts below).

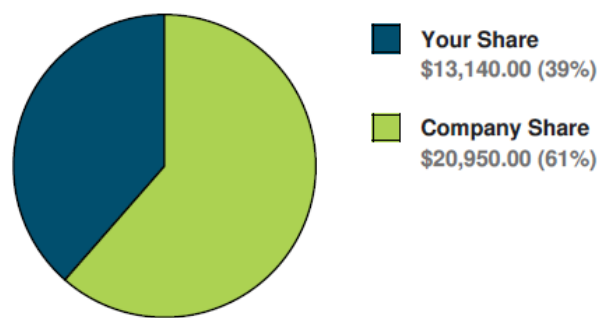

This service can be used alone or as an accompaniment to our Automated Contract Management System. Want to start using TotalComp Statements quickly? Our team can complete implementation in less than 4 weeks!
